The Phenomenology of Painting has 3 ratings and 0 reviews. Nigel Wentworth tackles key questions concerning the philosophy of art in this analysis. To wh the phenomenology of

painting (Albers machine), John Slepian Merleau-Ponty says that all painting from Lascaux to our day has been a celebration of 'the visible'. However, to understand what he means by 'the visible' involves considerable complexity. The standard by which Merleau-Ponty evaluates painting emerges from his phenomenological and ontological research into perception.
